If current USBC April 15, 2018 average is 10 or more pins higher than 2016-17 season, bowler must use 2017-18 average.
- USBC Rule 319e applies to all participants in this tournament. The average of a bowler may be rerated before bowler bowls and if rerated average is not accepted by bowler, the entry fee shall be refunded. Bowler not having an established average by Rule #1 must use 220.
- It shall be each bowler's responsibility to verify the accuracy of his average whether originally submitted by the bowler, his team captain or others. Failure to use the proper average or make a correction prior to or at the time of bowling, may disqualify score if submitted average is lower than actual average thereby resulting in a lower classification or a higher handicap. Prize winnings shall be based on the submitted average if it is higher than the actual average.
- Prize fund will be refunded 100%. At least one prize for every 10 entries.
- Handicap is based on an individuals average from 220. Negative handicaps will apply only to an individual's handicap. No team will receive a total negative handicap.
- USBC Members Only. All eligible non-members may pay Tournament Participation Fee to enter.
- Multiple entries permitted. Cash once with same partner – cash maximum two times with different partners.
- Tournament manager reserves the right to reject any or all entries, and rerate averages of ANY or ALL participants.
- USBC rules apply.
- Bowl 3 games across 6 lanes.
- Starting lanes will be assigned by tournament director. If possible, tournament director will place groups together, only if tournament director knows 3 days prior to squad start time.
- Bowlers who have qualified for prizes of \$500 or more in any one tournament or \$1,000 total in tournaments within the previous 12 months period must report: Actual Score, Position and Amount Won for possible rerating. Rerating is to be done before bowling commences. Failure to comply with this rule may result in the loss of any handicap given, or disqualification.
- This tournament is closed to members of the PBA or LPBT.
- All scores of 1450 or better will require each bowler to obtain and complete an average affidavit. Failure to complete and return average verification affidavit **within 14 days** following completion of squad bowled may result in the loss of any handicap given.
